

# HuskeeSwap

The scaleable alternative to single use disposables.

## Here's how it works

1

Drop off a **HuskeeCup** & Lid

2

Order your coffee as usual

3

Get your coffee in a fresh **HuskeeCup**!

Each year, over 500 Billion takeaway cups pile up in landfill.

---

To solve this problem, we need a global community of cafes and coffee drinkers who swap and exchange a single cup.

We need **HuskeeSwap**.
